

Know a girl or non-binary student interested in Technology?

Encourage them to apply for Camp SEEK!

Camp SEEK is a four-day immersive daily learning program for Year 9 and 10 girls and non-binary students.

It introduces students to a future career in a tech-focused business and provides learning and mentorship through a practical, fun and collaborative program.

Event runs from 23 - 26 September 2024
Applications open 3 June
